

## FICHA ACTIVIDAD EXTRAESCOLAR

<b>TITLE OF THE ACTIVITY:</b>	VISIT ROYAL PALACE
<b>DEPARTAMENT:</b>	GEOGRAPHY AND HISTORY
<b>DATE:</b>	31st January 2019
<b>PARTICIPATING GROUPS:</b>	3ESO
<b>DESCRIPTION OF THE ACTIVITY:</b>	<p>We went to the Royal Palace on Thursday 31st of January. We were playing music on the bus. When we arrived at the Royal Palace we have waited for a long time to get in. While we were waiting we met some Italian boys. We talked with them in English. When we got inside we took a lot of photos and we were in the Royal Armoury. After visiting the room, we went inside the Royal Palace and we had to wait until they gave us something that were similar to the headphones to listen the woman that was telling the things about the Royal Palace. We visited all the rooms and it was very interesting. Each room was decorated in a different colour. We had fun and then we had to wait for the rest of the students. When all the groups were outside we returned to the high school with the same bus. Hopefully we will do another similar trip to this one in the future.</p> <p>Lucía Pérez – 3o A</p>
