Important Information for Group Leaders:

Be available on the phone in case of emergencies at all times.

You are free during class times, but we may need to call you to come if a student feels unwell or is having any particular difficulties in class.

If there is a safety / security issue please contact the local police station or medical service (GP or Emergency) on the contacts below and inform Future Learning.

A leader coming with a group of younger students under 11 is expected to stay at the premises during lessons.

It is important to maintain good communication with the academic team.

We can arrange for you to observe the class and we will invite you to watch students presentations during the course and at the end.

If your student has any problems with their host family encourage them to talk with the family first. If they cannot solve the problem on their own contact our Accommodation Officers during office hours. Outside office hours contact FL Emergency Phone only if it is urgent and cannot wait until the following morning.

Future Learning curfew is 22:00. If your group plans to stay out a little later on any evening please contact FL Office during office hours and we send an email to host families.
